Why choose Teachout?

Teachout offers advertisers a very cost effective way of reaching and influencing teachers and organisations who arrange or administer educational trips, residentials, in-school services or travel in the South West.

Teachout - the only website developed to help teachers plan school trips and in-school experiences in Dorset, Devon and Cornwall - showcases a diverse range of carefully selected venues and services, to inspire and encourage teachers and organisations to try something new and different for their next educational visit.

The powerful search criteria means that teachers can search for trips, transport, in-school resources and other services as well as by key stage, subject, curriculum topic and distance from the school, making it easy to access a wide and varied range of educational experiences.
